

# "Kent Rose: Chicago country music royalty"

— Jon Langford of Mekons and Waco Brothers bands

## What they say about Kent and his music

**"Although you are roots - based you really don't sound like anyone else. It all sounds so original."** Jason Ringenberg of Jason and the Scorchers and *Farmer Jason Show*

**"So just plain right ... tradition-founded rocking cast as a burstingly animated, vividly contemporary declaration."**  
D. C. Larsen reviewing *All That American Night* for No Depression

**"You have an amazing voice - supremely talented."**  
J. Todd Scott, author *Big Bend Trilogy*, consultant / screenwriter  
"Lawmen - Bass Reeves"

**"This came up on the iPod shuffle this week. I thought it was something from a Norton Records R&B compilation or something. Tell Kent Rose he's got a hit on his hands."** James Porter, DJ *Hoodoo Party* WLUW 88.7, said of "Jungle Jaguar Pants"

**"He's a throwback to the guitar-toting country troubadours of yesteryear and at the same time a product of the rock and roll era, certainly the only performer of his kind in the greater Chicagoland area."** Bill Dahl, music historian and journalist

**"It will appeal especially to people looking for good music - away from Nashville glamour and beyond the standards of top forty lists. It is more than worth hearing."** Max W. Achatz, Country Jukebox Munich, Germany [countryjukebox.de](http://countryjukebox.de) said of album *All That American Night*
